

“Service Through Fellowship”

June 2014

District Governor Message

Greetings to Lions, Lioness, and Leos!

We had another great year in District 37N and I want to thank each of you for helping to make this a successful year of service and fellowship. It was not without some disappointment. The closure of clubs in Bigfork and Crowsnest Pass was a big one. But there was also a success in the chartering of the Eureka Tobacco Valley club. Club officer training was also successful with over 40 Lions attending sessions in Lethbridge and Seeley Lake.

As with every year there are challenges. This year it was the redistricting proposal. The challenge was to create it and inform all the clubs of the good and bad of that proposal and to encourage them to vote at the district convention. All district conventions and the MD Convention have passed the redistricting proposal by the required two-thirds margins. The proposal that the council created in March has been sent to Lions International for their review and approval. The decision will be made at the International Board meeting in October. If approved the work will begin in earnest for Montana to become a single district and the Canadian side to become a two district multiple. The Montana Past District Governor's Association has been meeting periodically to begin the transition to a single district and the District Governors in Canada have been in touch with each other to begin the process for their side of the border. If you are interested in participating in the process please contact me or VDG Pauline Cooper as appropriate.

Thank you for the privilege of serving you this past year as your District Governor. I have made many new friends in my travels of Alberta and Montana and I look forward to seeing you again at future Lions conventions and events.

Cowley Lions Charter Night

Fifty Years of Service was proudly celebrated on April 12, 2014 by the Cowley Lions Club. One hundred and thirty-five guests, from Montana to Edmonton and points in between came together to help the club celebrate their 50th charter night. Pre-dinner entertainment was provided by Phil Lethbridge and Jackie Therriault, with song leader Lion George Takashima. Welcome messages from MD #9 Reeve Brian Hammond, Town of Pincher Creek Mayor, Don Anderberg and the Village of Cowley Mayor, Lion Linda Findlater all stressed the importance of volunteering and service to our communities and congratulated the Cowley Lions Club on their service endeavours over the past fifty years. MC - Past District Governor, and a charter member of the club, Lion Earl Johnson proudly stated that over the past thirty years the Cowley Club has donated in excess of \$477,000 back to our communities and Lions Club International projects, beautifully depicted in a wall hanging made by club member Lion Edna Nelson. After a delicious supper, served by the Heritage Inn, our District Governor, Monte Weisser introduced our guest speaker, Past International Director Dr. Patti Hill. Dr. Hill kept us glued to our seats with her inspirational comments and vision for Lions Club International. The need to encourage young people to join service clubs to continue the work started by their parents and grandparents was stressed or we will soon see the demise of this very important aspect of our economy and life in general. As government funding decreases throughout the global economy, more and more hospitals, schools and disaster relief programs are looking at volunteers and financial support from the members of our service clubs. We must look at innovative ways to bring the young people into our clubs to carry on our motto of "We Serve".

A commendation certificate was presented by Cowley Mayor, Lion Linda Findlater to Club President Lion Arnold Nelson, for the work and financial support that the club has provided to the Village, including the building and maintenance of the Cowley and District Community Hall and the newest addition – the Cowley Lions playground. President of the Pincher Creek Lions Club, PDG Christine Lank, also presented the Club president, a recognition certificate and donation in support of the Club's continued success. The Pincher Creek Lions Club sponsored the Cowley Lions Club in their formation and charter in November, 1963.

DG Monte Weisser and PID Dr. Patti Hill presented Long Service awards to Lion Marion Johnson for fifteen years service, Lions John MacKinnon and Mark Burles (in absentia) for twenty five years service and Lions Earl Johnson and Russel Rowledge for fifty years service. The Judge Brian Stevenson award was presented to Lion Carol Walter and two prestigious Melvin Jones Fellowship awards were presented to Lions Edna Nelson and Arnold Nelson for their service with the Cowley Lions Club.

The evening concluded with the handing out of door prizes, provided by the club members and visiting with the guests and dignitaries.

The Cowley Lions Club is proud of its affiliation with the largest service organization in the world, and look forward to continuing our service to our community.

Lions Club donations leading to a brighter world

BY GILLIAN SLADE ON JUNE 4, 2014.

gslade@medicinehatnews.com

[@MHNGillianSlade](https://twitter.com/MHNGillianSlade)

A generous donation from the Lions Club has allowed for the purchase of new laser equipment at the Laser Eye Clinic, and this will mean more comfortable treatments and less need for patients to travel to Calgary.

The Pascal Laser — costing \$125,500 — will specifically benefit patients with diabetes that has resulted in eye issues such as diabetic macular edema, says Linda Tessmann-Potvin, Alberta Health Services director of the surgical suite and ambulatory care at Medicine Hat Regional Hospital.

“About 15 to 20 patients a week are expected to benefit from the Pascal Laser,” said Tessmann-Potvin. “It will reduce the number of times patients have to travel to Calgary.”

For the Lions Club of Medicine Hat it was the perfect fit for an organization challenged decades ago by Helen Keller to support eye care. In 1925 at a convention Keller asked Lions Clubs to become Knights of Blind.

“The number of laser bursts in one or two treatments with this equipment is significantly less than what has been available in Medicine Hat,” said Kim Simpson, secretary for Lions Club of Medicine Hat. “There are some patients who were not prepared for multiple treatments that included one or two laser bursts at a time.”

The only other option patients had was to travel to Calgary and for those who were not able to drive themselves it meant having to arrange for family members to assist them, said Alan Bergen, Lions Club treasurer.

“This piece of equipment will change peoples’ lives,” said Jason Melhoff chair of the Medicine Hat & District Health Foundation. “We respect all that the Lions Club does for the community.”

When the foundation understood how Lions Club wanted to see its donation used, it became a case of research to determine the best fit to achieve those goals, said Melhoff.

The Lions Club has been a significant part of the community since 1950 and has over the years contributed more than \$330,000 through the Medicine Hat & District Health Foundation.

Lions Clubs International

Dear GLT District Coordinators:

The next Emerging Lions Leadership Institute for the Lions of United States of America, Its Affiliates, Bermuda & The Bahamas & Canada will be offered in Oak Brook, Illinois, USA on October 4-6, 2014. We seek your assistance to help recruit qualified Lion participants for the institute. It is a valuable opportunity to build on skills that enhance the leadership qualities at the club level.

This institute is targeted to **Lions that have not yet been club president**. For details, see the [application materials](#).

Lions Clubs International will provide meals and lodging according to the dates and schedule of the institute. Additionally, LCI will make appropriate hotel reservations for each participant on a twin-share basis. Please note that a non-refundable participation fee of **U\$95.00** will be required to offset these costs for all institutes. This fee will be due no less than six weeks prior to the institute start date. Participants are responsible for all travel expenses to and from the designated venue inclusive to all relevant ground transportation charges.

Please help us recruit qualified Lions for this institute by providing a copy of the [application packet](#) to Lions leaders in your district, including your district governor team and region and zone chairpersons, to remind them of this event. Please ask them to promote the institute and actively encourage qualified candidates to apply. The success of this institute depends on the support of Lions leaders from across your constitutional area. More information is also available on the [web site](#).

We will be accepting 75 Lions, total. This institute will be conducted in English and French.

2014-2015 District 37-N Cabinet

The following table shows the Cabinet positions (and incumbents) for District 37N for the Lionistic year 2014-2015.

As you can see, there are some vacancies:

District Advisor is usually a Past International Director (PID), and since we do not have a PID who belongs to any club in our district, this position will remain vacant.

2ndVDG: the District actually needs two 2ndVDGs – the elections for both will take place at the District Convention – the first will fill the vacancy that currently exists for the Lionistic year 2014-2015, and the second will be expected to be 2ndVDG in 2015-2016, subject to redistricting results/process. If you are interested, please submit your name with your club endorsement to DG Pauline Cooper, 1st VDG Cathy Anderson, or District Secretary Ardith Tjornelund.

Global Membership Team and Global Leadership Team: please contact either PDG Laura Dickerson or PDG Sharon West if you are interested.

Zone Chairperson: There are currently 3 Vacancies – one in **Zone 4** (Bow Island, Brooks, Irvine & District, Medicine Hat, Medicine Hat community View and Redcliff), one in **Zone 6** (East Missoula, Hamilton, Hellgate, Lolo, Missoula, Missoula Southside and Seeley Lake), and one in **Zone 7** (Charlo, Hot Springs, Plains, Polson, Ronan, Superior). You must have been a Club President in order to accept the duties and responsibilities of the Zone Chairperson. This is an important position because the Zone Chairperson is closer to the individual clubs and has a better ‘feel’ for what is going on. He/She is the liaison between the club and the District Governor. Help!

We need to have representatives on both sides of our District to keep the Lions Clubs informed. Please be part of the success!

Youth Exchange/Lions Quest/Peace Poster: PCC George Takashima and Lions Arnold and Edna Nelson are taking on the challenge of reviving the Youth Exchange Program in our District. I expect there will be other ‘Youth-related’ issues that will come their way. Lions Quest and the Peace Poster Contest are other wonderful programs and valuable tools in developing and engaging our youth. They deserve to have individuals promoting them to clubs on both sides of the border! Please consider getting involved!

There are several other programs that have traditionally had Chairperson positions on Cabinet. However, I have no intention of filling them...**UNLESS** there is someone who is truly interested in promoting these worthwhile projects - Leader Dog, Lions Services for Children, Cultural & Community Activities, Environmental, Family & Women Membership, International Relations, Public Relations and USA/CANADA Lions Forum. Please let me know if you are interested.
