

FOOD DRIVE 2021

lethbridgefoodbank.ca and magrathlions.com

Benefiting the **Lethbridge and Area Food Bank**

Sponsored by: Representatives from Churches of Magrath and surrounding area, their many community volunteers as coordinated by members of the Magrath Lions Club.

Dear **Friends of the Needy;**

Our area communities have been chosen to hold the upcoming **Food Drive**.

As you are no doubt aware, there is a desperate need for food donations to local food banks year round and especially now. Our local food banks rely heavily on the support of its neighbors, being neither a government nor a United Way agency. Many local families would suffer needlessly if not for the much-needed donations from people like you. Your support helps fill the hungry with hope.

We are asking that you contribute what you are able of non-perishable items, including: cereal, oatmeal, canned meals, canned vegetables, canned fruit, canned meat, peanut butter, beans, macaroni & cheese, pasta, spaghetti sauce, canned soups, baby food and formula, juice, rice.

To help this food drive run smoothly and with the least possible inconvenience to you, we simply ask that you place your food donation in the bag provided and in plain view on your front doorstep. Only the food left on your doorstep on the **morning** of the food drive will be collected – we will not ring your doorbell.

YOUR BAG OF FOOD WILL BE PICKED UP ON:

Saturday May 15th between 9 and 10 AM

Please place your donation bag out on your doorstep before 9 AM that morning

If your food donation is missed please call: Lion Roger or Shauna Davies at **403-388-4332** or bring your food bag to the Magrath Pharmacy and we will arrange to take it into Lethbridge later for you.

Remember: The Food Bank is in need of volunteers and cash donations year round. If you care to donate your time or money please contact the food bank directly at **403-320-1879** or at lethbridgefoodbank.ca/donate-now. However, for this food drive, please do not leave money on your doorstep.

Thank you again for your donations this year, our **16th annual** food drive!

Magrath Lions
